

TEMPODROM
BERLIN

HOME OF EVENTS

URBAN

STYLISH

UNIQUE

Seven areas. Separate or combined.

Large arena. Small arena. Foyer.
Restaurant. Lounge. Forecourt. Roof terrace.

Architecture that inspires.

Under the iconic roof, up to 4,200 guests
experience magical moments.

A stage for everyone.

Whether concert, gala, conference, workshop,
conference or presentation.

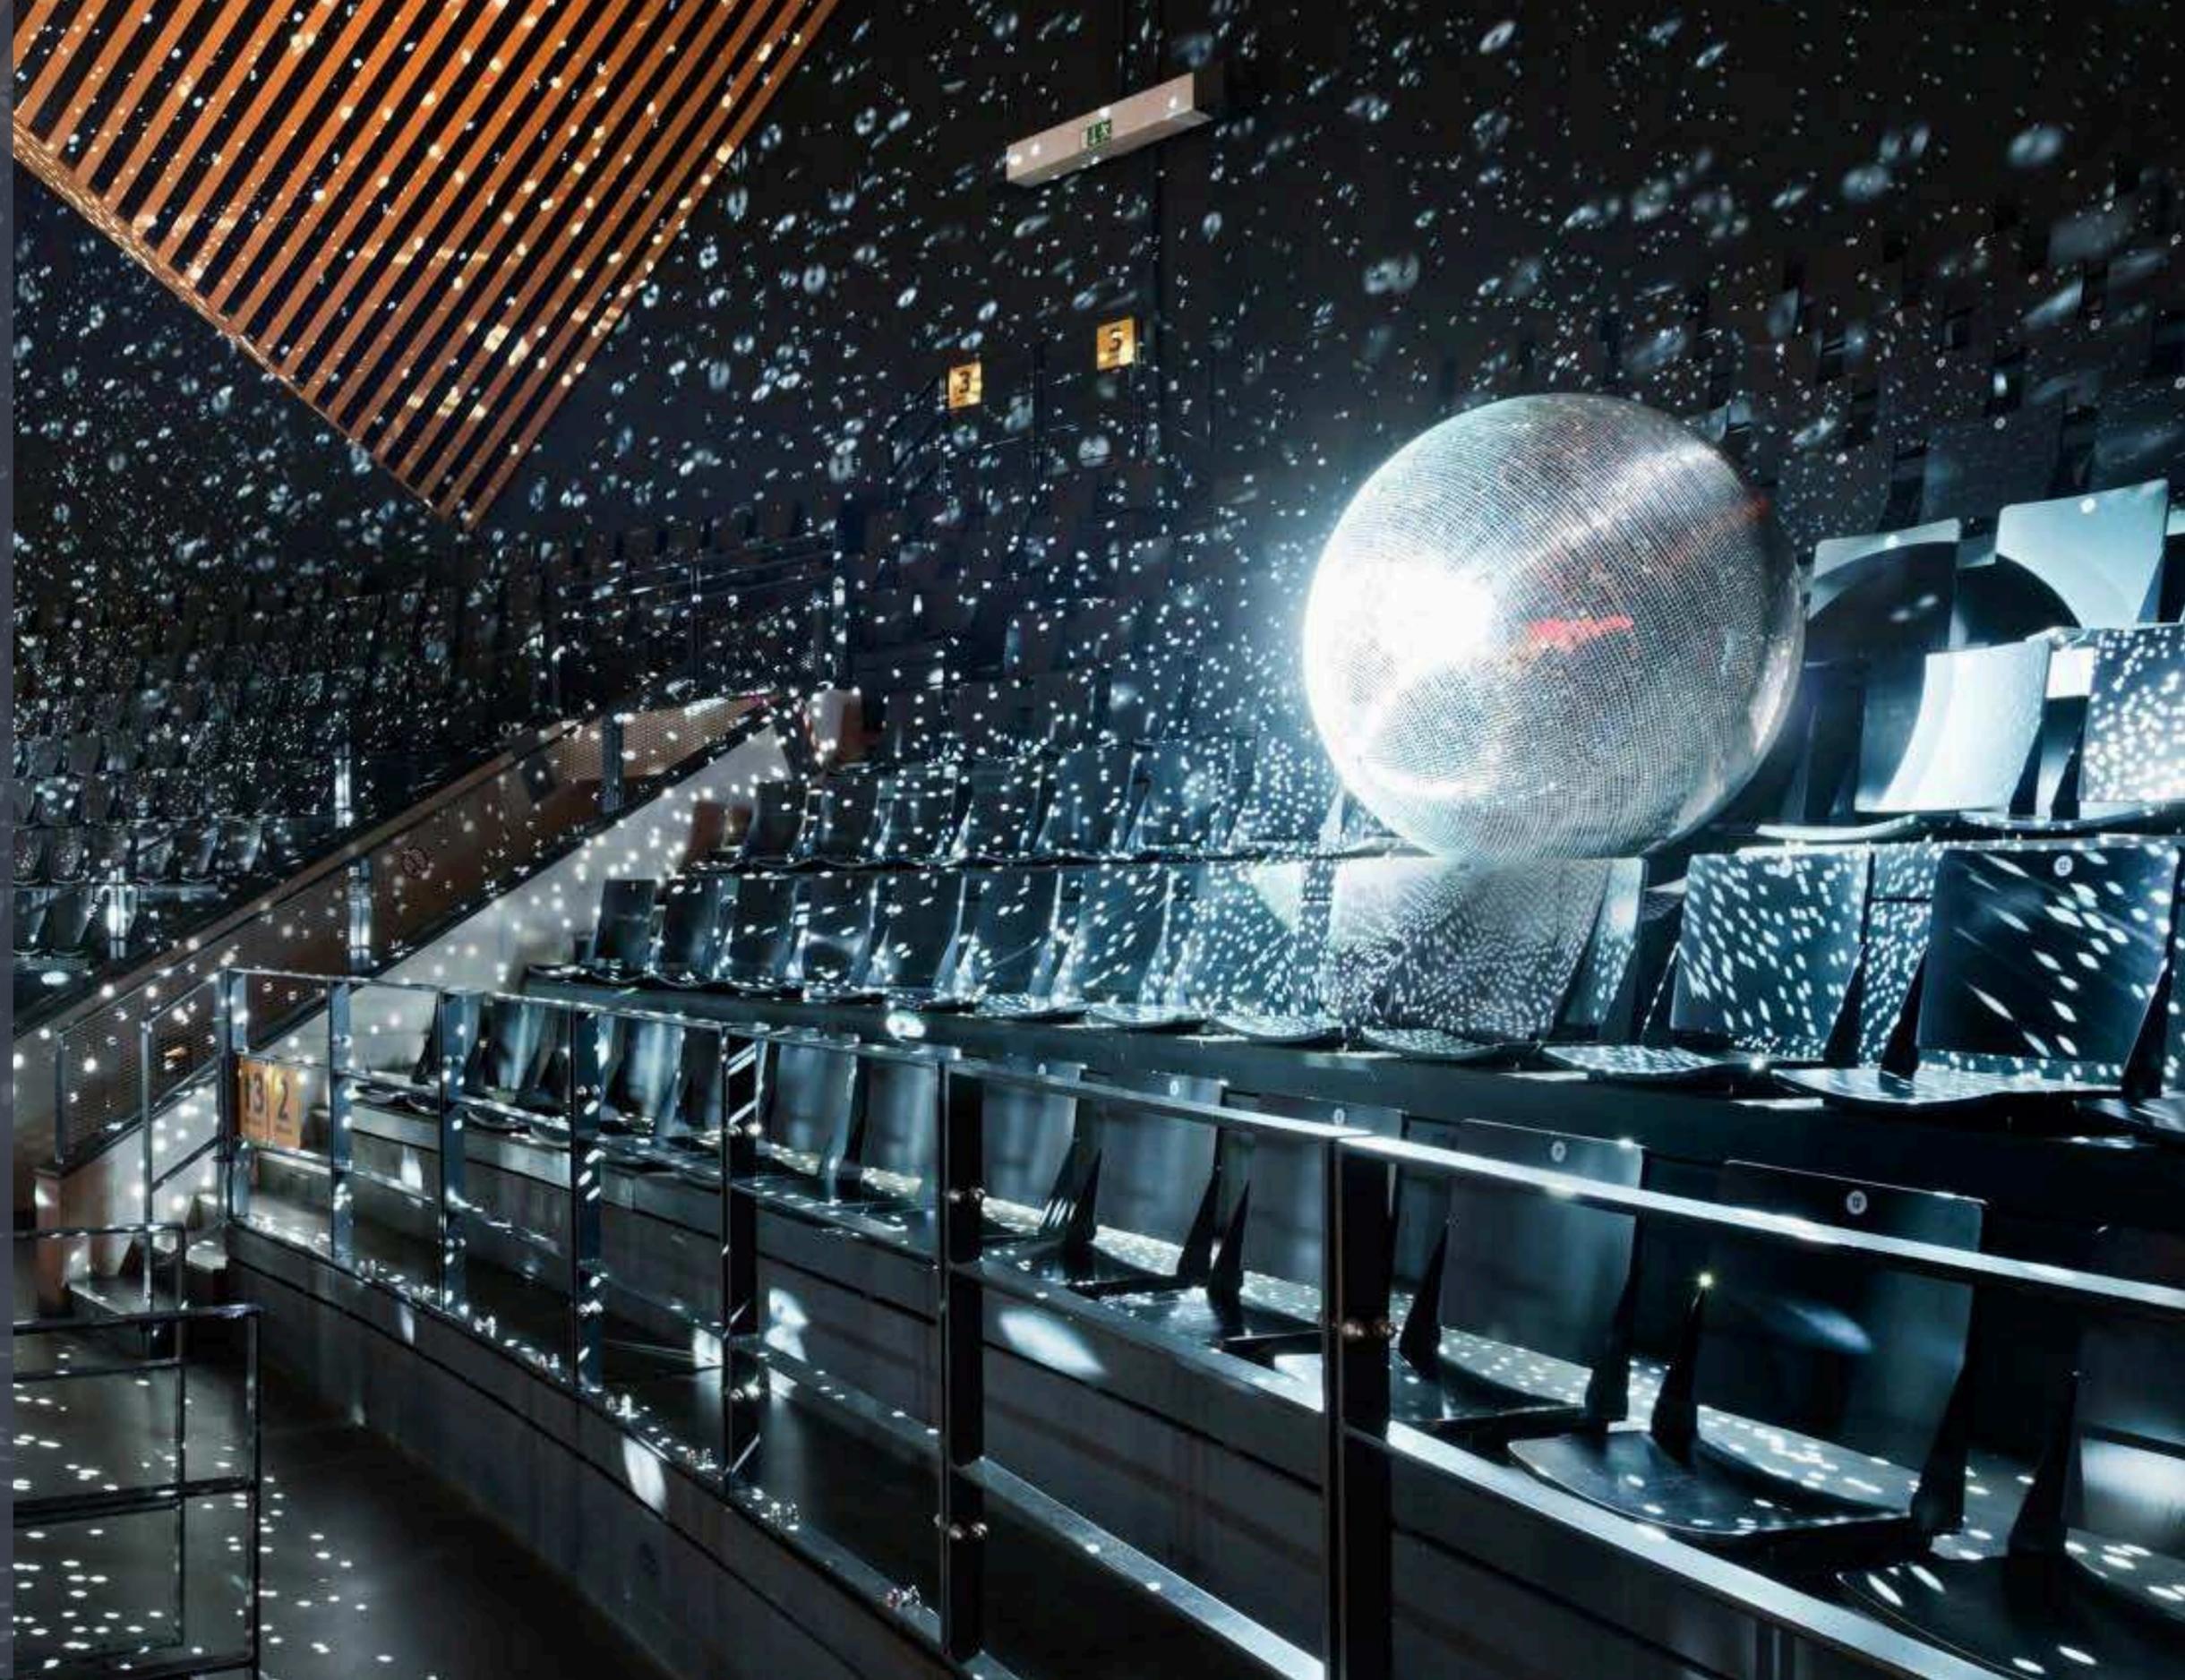

Every event becomes a highlight here.

Where can you do that? Today an international conference with 2,000 guests. Tomorrow a convention with 150 influencers. At the weekend a concert with 4,000 rocking fans. Next week the product presentation of the latest E-car.

The Tempodrom offers the flexibility to organise space according to your ideas. Let your visions and ideas become reality: in a place that is known for its innovative character and a wide range of possible uses. An architectural masterpiece, that transforms every event into a unique experience. Under the iconic roof your guests experience the perfect symbiosis of aesthetics and functionality.

In a central location, close to Potsdamer Platz, the Tempodrom combines modern infrastructure with impressive design. Here, every event becomes an unforgettable highlight.

SUSTAINABILITY AND ENGAGEMENT

The Tempodrom has combined architecture and ecology from the very beginning. Even when the building was constructed in 2001, it was clear that future technologies would be used. *But that was just the beginning of our „green journey“.* It's all about acting with respect and responsibility behaviour in everything we do. Our aim is to embed this understanding of deeply anchored in all areas of our company and to live the holistic approach in the long term.

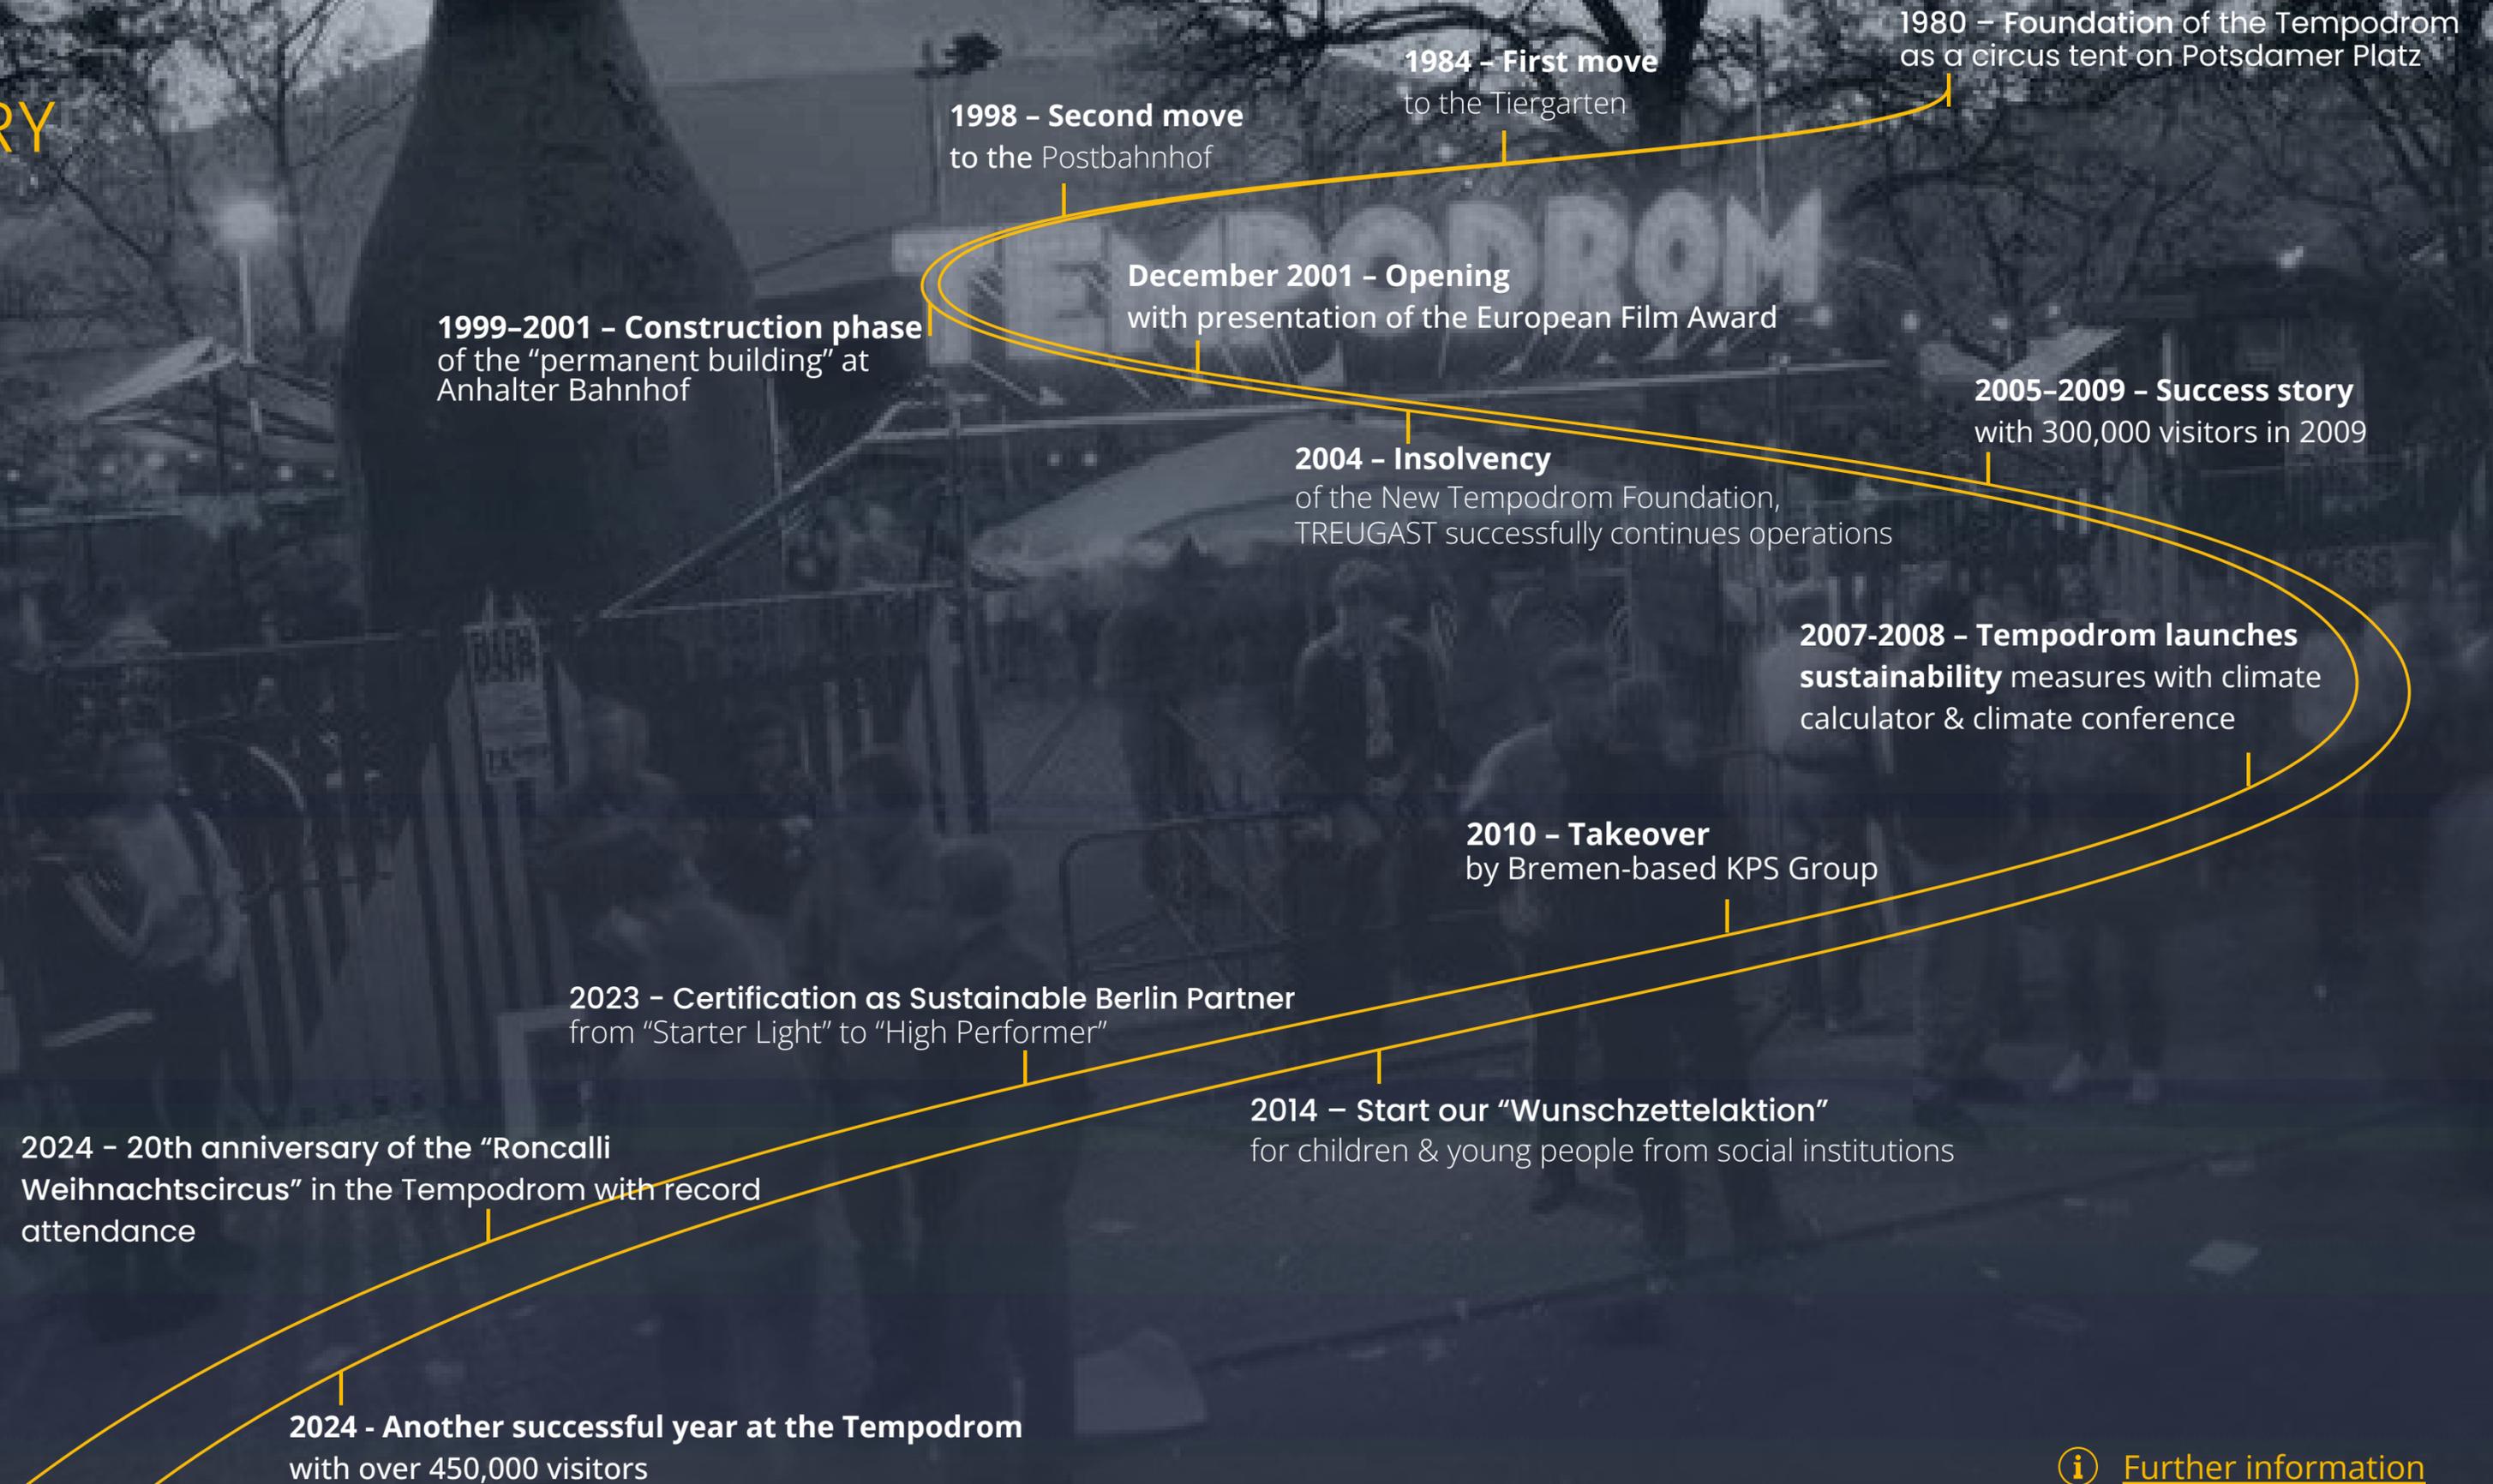

- ✔ Social commitment (support for children's and youth facilities)
- ✔ Annual wish list campaign
- ✔ 100% green electricity from renewable energies
- ✔ Central location with good public transport connections
- ✔ Cooperation with regional and long-standing partners
- ✔ Energy-efficient building hardware
- ✔ Reusable cup system
- ✔ Recycling processes and waste separation
- ✔ Paperless office, digitalisation, digital signage
- ✔ Certified partner of „Sustainable Berlin“ | High Performer
