Vehicle access to halls: 18 January 2024, as of 18:00

Driving inside the halls with vehicles will be allowed, provided the logistical situation permits this. In the event of large-size events, for example in the remaining area of the Messe Dortmund or in the adjacent Signal-Iduna-Park, the possibility of accessing the halls with vehicles may be delayed.

End of dismantling:

18 January 2024, hall 5, 8: 23:00
19 January 2024, halls 4, 6, 7: 23:00

Extended set-up and dismantling times are possible on request and subject to a fee.

3. Stand construction

(see General Conditions for Participation item 10)

The assembly and presentation of exhibits in the passageways and in front of emergency exit doors is prohibited. If deviations in the stand dimensions confirmed by the fair management are detected upon dismantling, the fair management must be informed of this immediately.

The fair organiser reserves the right, due to technical constraints and particularly for safety reasons, to relocate entrances and exits, emergency exits and passageways.

4. Participation fees

(see General Conditions for Participation item 7)

The participation fees for exhibitors include:

Stand-type:	Participation fee EUR/sqm
Row stand (1 side open)	175.00
Corner stand (2 sides open)	188.00
Two-corner stand (3 sides open)	190.00
Block stand (4 sides open)	196.00
Outdoor area	90.00

For hall stands with an accessible upper floor (not possible for all halls), an additional participation fee is calculated for the multilevel area, which is 50% of the basic price.

The cost of positioning dividing walls at a height of 2.50 m must be borne by the exhibitor. Construction heights of over 2.50 m are subject to authorisation. The application for a stand construction up to 50 sqm costs EUR 30.00, from 51 sqm, EUR 60.00 and for two-storey stands and special constructions, EUR 250.00. The submission deadline for stand construction applications is 01/12/2023, the deadline for two-storey stands is 03/11/2023.

The minimum area for a stand is 12 sqm with a minimum depth of 3 m for row stands and corner stands. The basis for measurement and calculation is the right-angled outer surface of the stand. Projections, beams, fire extinguishing appliances and supports are included in these calculations. Stands can only be allocated in full metres (frontal width and depth).

The AUMA value per sqm of exhibition space (hall and outdoor area) is EUR 0.60 net and is invoiced to the exhibitor. Similarly, a general hall flat rate of EUR 9.50 per sqm net is due. This includes hall lighting and heating for set-up and dismantling as well as during the trade fair. Provision for and disposal of the stand must be ordered separately (separate calculation).

The AUMA Exhibit and Trade Fair Commission of the Deutsche Wirtschaft e.V., Berlin, represents the interests of exhibitors, visitors and event organisers as an institution of the German Fair Trade Industry. Floor space can only be allocated in full metres (frontal width and depth).

5. Marketing Package

For primary and co-exhibitors as well as additional companies attending, the fee for the obligatory marketing package is EUR 499.00 plus VAT. This is invoiced together with the participation fee.

The package contains entrance vouchers. These are provided to the primary and co-exhibitors in the form of digital codes of any quantity for transfer to a third party. Transfer to a third party in return for payment is expressly prohibited.

The package includes entries (company name, address and/or contact details) in the respective catalogues provided for the specific trade fair. The entries appear in the catalogue formats provided by the trade fair organiser, alternatively or cumulatively in the online exhibitor catalogue, on the monitors of the visitor information system, and as far as is available, on the trade fair app and in the printed catalogue. Aside from a default entry, it is also possible to enquire about and book additions with the trade fair organiser, subject to charge, according

to the offers made by the respective trade fair. It is mandatory for the primary exhibitor to register co-exhibitors or additional companies attending and their exhibits. The remuneration for the marketing package is invoiced to the primary exhibitor per co-exhibitor for each additional company attending. If the exhibitor does not wish to name any additional companies attending in the catalogue, this must be expressly noted in the registration form.

The deadline for submitting entries in the catalogue is 12/11/2023. Non-compliance with this deadline can result in the existing details being adopted in the catalogue.

Exhibitors who only register after the submission deadline are not entitled to be included in a particular catalogue.

Claims for faulty or incomplete entries or ones that have never been made in the catalogues mentioned above are excluded. The primary exhibitor is responsible for the content of the entries in the catalogues and the resulting damages.

Voucher code for your customers. This voucher code is free for you and your customers.

6. Stand activities

(see General Conditions for Participation item 11)

Sweepstakes and auctions, whether with a conceptual or commercial objective, musical performances on the stands of the exhibitors and propagandistic activities are categorically prohibited. Special permission requires the written approval of the trade fair management.

Projection screens and monitors for presentations must be positioned far enough from the front of passageways so that visitors must enter the stand area to view the presentation, thus ensuring that visitor traffic is not hindered in the passageways.

7. Visual and acoustic presentations

(see General Conditions for Participation item 11)

Visual and acoustic presentations must only take place in screened or closed rooms. They must be placed facing the inside of the stand; the performance areas must be screened from the passageway and thus the audience. Regulations for implementation for such matters can be found separately (exhibitor service map).

The volume for performances during the exhibition must be assessed such that it does not disturb neighbouring exhibitors.

• To this end, the sounds coming from a stand must not exceed the average sound level (Leq) of 75 dB (A) beyond the space of the stand.

The average time period to be observed in this instance is four minutes per performance.

It is compulsory to register for live events (e.g. presentations, musical performances, shows etc.). The first notification must be made together with the stand registration. A detailed schedule must be submitted to the event organiser in conjunction with the duplicate stand drawing (stand plan) for approval. In order to prevent visual and acoustic interference to other exhibitors, presentations must be agreed with neighbouring stands. The event organiser has the right to prohibit performances and shows at any time if they infringe on these requirements. The event organiser is entitled to switch off the electricity and, in case of a repeat occurrence, have the stand closed temporarily.

This applies correspondingly to all performances – including ones using images and recording media – that are only ever permissible if they neither inconvenience neighbouring stands nor block public passageways.

• Loudspeakers must be directed towards the inside of the stand.

In the case of infringements against the max. permissible volume, those concerned will receive a caution with a warning of possible future consequences. If a further infringement is made following the first caution, the exhibitor concerned will be invoiced for a fee of EUR 400.00. A third infringement from the company concerned against the max. permissible volume will result immediately in the electricity being switched off for the entire duration of the event.

8. Direct- and cash sales

(see General Conditions for Participation item 12)

Cash sales (over-the-counter sales) to trade fair visitors is prohibited.

The BOE specialist trade fair is an order fair only. Fair goods must only be delivered once the fair has ended. In all other cases the legal provisions shall apply.

9. Exhibitor passes, build-up and dismantling passes

(see General Conditions for Participation item 13)

Every exhibitor receives two exhibitor passes free of charge. For each started 10 sqm booth area over 12 sqm an additional identification card will be provided free of charge. The exhibitor passes will be dispatched as soon as the stand rental is paid full. Further required ID cards may be ordered from MV for a charge of EUR 18.07. In addition, day-exhibitor identification cards may be requested for a charge of EUR 8.40. The appropriate number of work passes are provided free of charge for build-up and breakdown of stand. Each co-exhibitor receives two exhibitor passes without charge.

10. Bringing animals to the exhibition is prohibited.

11. Value-added tax (VAT)

The fees and remunerations named in these Special Terms and Conditions are also subject to an additional VAT charge.

12. Musical acts/live music/walking acts

Musical acts/live music and walking acts are only permitted in the live hall once they have been registered, using the forms provided here on the trade fair website, and once they have written authorisation from the organiser on the stand and/or at the locations identified on the trade fair site.

13. Terms and conditions of payment

The trade fair organiser has the right to make an appropriate advance payment or security, e.g. in the form of a credit card guarantee or advance payment, subject to authorisation.

2.1.5 The Participant shall ensure that its login details to the Digital Platform are treated confidentially and adequately protected. The Participant shall not be permitted to pass the login details to third parties without authorisation. The Participant shall inform the Organiser immediately of any indications of unauthorised disclosure of login details and/or passwords and/or of any suspicion of unauthorised access to the content published by it.

2.1.6 The digital trade fair platform may be availed of by using the current version of a standard browser and an Internet access point. The Participant shall be bound to ensure that it meets these technical requirements for its participation in the digital trade fair platform. The minimum technical requirements will be announced by the Organiser in good time. The Organiser shall not accept any liability for any non-functioning or malfunction or damage resulting from non-compliance with the technical recommendations.

2.1.7 For the purpose of advertising and holding the trade fair or event, the Participant shall grant the Organiser or a third party engaged by the Organiser the right to use its logos / signs / company names, even where these enjoy trademark or copyright protection.

The Organiser accepts no liability, except in cases of malicious intent or gross negligence, for disruptions, errors, delays or other impediments to performance that occur during the transmission of content via the Internet.

2.2.2 Furthermore, the Organiser assumes no liability for access to or availability of the Internet. Any liability for the consequences of restricted availability – of whatever kind and for whatever reason – is excluded.

3. Registration, Contract Conclusion

3.1 The stand booking for an event requires the completion of the Stand Booking Form, which is to be sent to the Organiser by post, by fax, online or by e-mail as attached file. The hard copy of the stand-booking form for the respective event must be signed to confirm the acceptance of the General Conditions of Participation, the price lists and, if applicable, the Special Conditions of Participation of the Organiser and returned in full. The Organiser reserves the right to make the acceptance of the stand-booking order dependent on the requirement that the stand-booking form for the respective event has been completely printed out and signed with legally binding signatures to confirm the acceptance of the General Conditions of Participation, the price lists, and, if applicable, the Special Conditions of Participation of the Organiser and the complete form has then been sent to the Organiser by fax. Electronic stand bookings by previous Participants are only valid if the Online Form provided by the Organiser and the assigned password are used for online transmission.

The stand booking form is deemed to be an offer made by the Participant for contract conclusion; the sending of the form does not constitute a right to acceptance. The stand book-

ing form must also be sent without any supplementary remarks or conditions as defined by Section 158 of the German Civil Code (BGB). If this provision is ignored, such supplementary remarks or conditions will not have any legal effect on the Organiser.

3.2 By submitting the registration form, the Participant accepts these General Conditions of Participation and, if available, the "Special Conditions of Participation" applicable for the specific Event, the "House Rules", the "Technical Rules" and the provisions of the "Service Documents". The Participant is responsible for their compliance by the persons employed by him at the Event and by the other Participants registered by him.

3.3 The contract on the participation is concluded by means of a confirmation, i.e. the Organiser accepts the contract offer.

3.4 The Participant is obliged to comply with all relevant statutory and official regulations, including such of labour or trade law nature and such concerning environmental protection, fire protection and accident prevention regulations. The Participant shall continuously monitor their compliance by the persons he employs at the Event, the other Participants he has registered and other vicarious agents and intervene in the event of a violation and/or inform the Organiser about the violations.

4. Admission, Permitted Exhibits

4.1 The Organiser will notify the Participant of the acceptance of the Participant's offer in an acceptance notice and of the stand space assignment by post, fax or in electronic form. Complaints by the Participant must be notified in writing to the Organiser within three calendar days after receipt. If the confirmation differs from the Participant's registration, the contract is concluded in accordance with the confirmation unless the Participant objects in writing within three calendar days after receipt. Then the Organiser and the Participant need to reach an agreement immediately.

4.2 The Organiser shall take a decision, if necessary in agreement with the respective committees, regarding the admission of the Participant and registered exhibits to the Event via a written confirmation of admission. A contract shall come about with the admission of the Participant (see subsection 3.3).

4.3 The Organiser may exclude individual Participants from taking part in the Event for factually justified reasons, especially if the amount of space available is insufficient. The Organiser may also restrict the Event to certain groups of Participants if this is necessary to attain the purpose of the Event. The Organiser shall also be entitled to impose restrictions on the registered exhibits and change the amount of registered space.

4.4 Participants may only exhibit, offer and take orders for, the exhibits stated in the confirmation of admission and only at the location stated therein. Not permitted items can be removed by the Organiser at the Participant's cost, and in the case of emergency without prior warning. Goods and services, for which a use, possession or utilisation is not permitted in Germany must be legibly marked in the German language. Participants must have full power of disposal of the registered exhibits and possess any necessary official permissions and approvals. Descriptions and brochures relating to the goods or services to be exhibited shall be submitted by the Participant on request.

5. Space Assignment

5.1 The Organiser shall personally assign space in accordance with the subject and structure of the particular Event and the actual amount of space available. Space assignment wishes of the Participant are not binding and will only be considered if possible. The order in which applications are received shall not be the sole decisive factor in assigning space.

4.2 The allocation of a form of stand (e.g. row instead of corner stand, head instead of block stand) at variance with the registration does not entitle the Participant to withdraw.

4.3 The Organiser is entitled, even after the confirmation, to relocate the stand in the hall within a reasonable and acceptable scope without such entitling the Participant to rescind the contract or demand a reduction in the participation fee.

6. Unauthorized Transfer of Stand Space

The assigned stand space may not be exchanged with another Participant. Partial or complete transfer of the stand space or subletting of the stand space to third parties shall also not be permitted without the approval of the Organiser.

7. Fees, Payment Deadlines and Terms

7.1 The participation fee can be inferred from the registration form and the Special Conditions of Participation; the amount will be invoiced to the Participant by the Organiser. Complaints about the invoice can only be considered if they are received by the Organiser in writing within 14 days after receipt of the invoice. When sending the invoice, the Organiser shall draw the Participant's attention in particular to the importance of his actions.

7.2 The Organiser is entitled to demand a reasonable payment in advance or security for anticipated additional charges, e.g. for electricity consumption or other services.

7.3 Half of the participation charges are payable without deduction immediately on receipt of the bill, the remaining half no later than six weeks before the opening of the exhibition. Bills which are received later than six weeks before the opening are to be settled in full and without deduction immediately on receipt.

7.4 The Organiser is entitled to make the occupation of the stand space or issue of Participant ID cards dependent on the prior, timely and full payment of the invoice.

7.5 An AUMA service fee shall be charged for the activities of the Association of the German Trade Fair Industry (AUMA), Littenstrasse 9, 10179 Berlin. This service fee shall be listed separately on the invoice.

7.6 All invoice amounts shall be transferred in Euro without any bank charges or deductions quoting the customer number and invoice number to the account shown on the invoice.

7.7 If the Participant culpably fails to comply with his payment obligations on time, the Organiser shall reserve the right, after granting a reasonable period of grace with consideration of the circumstances and the remaining time, to terminate the contract with immediate effect for good cause.

7.8 Should a Participant fail to comply with his payment obligations, the Organiser may exercise his right of lien, retain the exhibits and the stand fittings, and have them auctioned at the expense of the Participant, each time after prior written notification, or to sell them privately if they have a stock exchange price or a market price.

7.9 All charges and fees stated in the Registration Form, these General Conditions of Participation and the Special Conditions of Participation are plus VAT at the statutory rate, if nothing different is legally stipulated.

8. Non-participation by the Participant

8.1 A cancellation of participation by the Participant is possible until confirmation of admission. Such cancellation must be made in writing to be effective. In such a case, the Participant shall owe the Organiser a fee of 275.00 EUR for the to-date services of the Organiser unless he proves that the Organiser did not incur such a cost or incurred a much lower cost.

8.2 A non-participation by the Participant despite confirmation of participation does not release the Participant from his contractual obligations. The Participant shall be obliged, in particular, to pay the contractually due fees. The Organiser shall not be obliged to accept a replacement participant nominated by the Participant. If the Organiser is able to otherwise let the stand, the Participant will be credited with the proceeds obtained by the Organiser from such letting less a remuneration of 25% of the net participation fee, but at least 400.00 EUR.

8.3 In the case of a non-participation, the Organiser shall be entitled to let the stand space not used by the Participant to a third party or redesign the stand layout at the cost of the Participant in order to ensure a gapless appearance of the Trade Fair or Exhibition.

- 8.4 The Participant will also not be released from his obligation to pay the participation fee if the assigned stand space is otherwise let but the total available space for the Trade Fair / Exhibition could not be entirely let.
- 8.5 If a Co-exhibitor and/or Additionally Represented Company does not participate, the obligation to pay the fee for their Admission (see Section 1.1.3) will remain.
- 9. Cancellation, postponement or change of duration of an Event**
- 9.1 Taking the interests of Participants into account, the Organiser shall be entitled to cancel the Event for good cause and/or, in cases of force majeure, to postpone it or change its duration. The following occurrences in particular shall constitute force majeure: war, terror, terror warnings, orders from higher authorities, sabotage, strikes and lockouts, natural disasters, geological changes and impacts, pandemics, epidemics, official measures, decrees, legal ordinances or laws prohibiting an Event, or the existence of urgent government recommendations. - 9.2 The Organiser shall also be entitled to cancel, postpone or change the duration of an Event if, for one of the reasons listed in 9.1, the smooth running of the Event is impaired or jeopardized to such an extent that the purpose of the Event cannot be achieved or can only be achieved to a considerably limited extent. The interests of the Participants must be taken into account when making such judgements. If the Event is cancelled for the aforementioned reasons, the Organiser shall be entitled to claim up to 25% of the participation fee from the Participant for general reimbursement of costs unless the Organiser is held responsible for cancellation of the Event. The participation fee shall be arrived at on the basis of the participation costs which can be found on the registration form and in the Special Conditions of Participation. Further costs shall be charged where the Participant has made use of additional chargeable services.
- 9.3 A change in location or timing or a change in duration shall become part of the contract upon notification to the Participant. The Participant must be notified of this fact immediately. The period of limitation begins with the last day of the Event.
- 20.4 The Participant can only offset counter-claims that have become res judicata, are undisputed or acknowledged by the Organiser against the Organiser's claims. This provision shall also apply to rights of retention if the Participant is a registered trader, a legal person under public law or a special public asset.
